The Impossible Dream

To dream the impossible dream,

To fight the unbeatable foe,

To bear with unbearable sorrow,

To run where the brave dare not go.

To right the unrightable wrong,

To love pure and chaste, from afar,

To try when your arms are too weary,

To reach the unreachable star.

This is my quest, to follow that star,

No matter how hopeless, no matter how far,

*To fight for the right without question or
pause,*

*To be willing to march into hell for a heavenly
cause.*

*And I know if I'll only be true to this glorious
quest, that my heart will lie peaceful and calm,
when I'm laid to rest,*

And the world will be better for this,

*That one man, scorned and covered with scars,
still strove, with his last ounce of courage,*

To reach the unreachable stars!
